OneRedmond Foundation
External Event Evaluation Overview - Total 100 points
Please fill out and submit to: Foundation@oneredmond.org

Project Description: 20 points

In this high-level overview, please describe your program and include geographic location of the applicant, cultural diversity associated with event or applicant, program operating budget, communities engaged, audiences served, and project focus. Attention will be paid to diversity.

Project Impact : 20 points

Please show how your program is a dedication to art, culture, community, and/or economy of Redmond for an extended period. Look for how the public/ community will benefit by the event. For example, the time visitors spend at the event, and/or spend time in Redmond downtown area, and spend money at the local businesses.

Community Engagement: 10 points

Describe how the event or program has consistent value, or contributes to a great experience in bringing the community together and supporting the local businesses.

Project Implementation /Plan: 20 points

Applicants will describe their event or program in detail. Applicants can show relevant work samples, flyers, pictures/ videos of this or similar programs/events, etc. Event details should include the program description, Project Directors' Experience, and other relevant information. If this is not a new event, please share any past successes you have had with your program or this project/event.

Project Budget : 20 points

Please list your budget for this event. The evaluation team will check if the budget is feasible and if the request is an appropriate amount of funding.

Public Access (free entry , public venue etc): 10 points

Please show how this program or event provides an interactive and educational cultural experience for the community that is open and applicable to all. Free entry/ affordable ticket prices. Example would be discounted tickets for students and seniors.
